About Us:

Caring Hands Animal Hospital of Lake City is an independently-owned practice an hour outside of Jacksonville and Gainesville, Florida. Established in 2007, Caring Hands Animal Hospital

practices **comprehensive and compassionate care**. We provide this care through:

- **top-of-the-line equipment** like an in-house lab, digital radiography, dental radiography, therapeutic laser, ultrasound, and surgical and dental suites
- utilizing our **support staff for scribing** medical notes
- staying abreast of changing industry and medical advancements by providing our DVMs with **annual continuing education PTO and allowance, weekly doctor meetings and case reviews, and one-on-one medical team coaching through Blue Heron Consulting**
- client education and relationships
- protecting against DVM burn-out with **4-day work weeks and no on-call or emergency schedule**

Our Community:

North Florida offers a low cost of living with all the perks of the Sunshine State! Beautiful weather year-round, numerous local nature preserves and state parks, and easy access to major cities and breathtaking beaches along either Florida coast. Whether you enjoy hiking, fishing, equestrian activities, or SCUBA, Caring Hands Animal Hospital's location is a nature lover's paradise.
